

# GALLY

LEVIRA

Com equilíbrio e distinção aliada à elegância, a linha Gally é uma solução executiva de formas ortogonais produzida com materias nobres. Constituída por pernas em tubo de aço (quadrangular 100x100 ou redondo 110mm de diâmetro), tampo em aglomerado revestido a folhinha de 40mm de espessura, calha elétrica metálica e tampas em aço inox escovado, e detalhe de tampo central revestido a semi-pele.

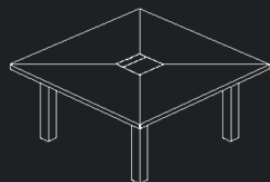

With equilibrium and beauty combining with elegance, Gally is an executive solution defined for orthogonal shapes produced with fine materials. Stainless steel leg ( square 100x100 or round 110m of diameter), 40mm veneer desk top, equipped with a metal cable management and brushed stainless steel top access, and a detail at central work surface upholstered with black synthetic leather.

Avec modération et distinction liées à l'élégance, Gally est une exécutive ligne défini pour orthogonalité et matériaux nobles. Formada por patas en tubo de acero inoxidable (cuadrangular 100x100 o ronda 110mm de diámetro), tapas en aglomerado de madera con 40mm de grosor revestidas con hoja de madera, equipada con canal de electrificación metálico y tapas superiores basculantes en acero inoxidable cepillado, y detalle de zona de trabajo acabada en semipiel negra.

Donde sobriedad y belleza es sinónimo de elegancia, Gally es una linea de direccion con formas perpendiculares y producida con materiales nobles. Pieds tubulaires inox ( quadrangulaire 100x100 ou rond 110mm diamètre), plateau en aggloméré placage bois de 40mm d'épaisseur, équipée de poutre électrique métallique et top access en inox brossé, et détail de plateau central revêtu de skay noir.
